

SUMMER HOMEWORK 2023

Students entering CM2

Wednesday and Integrated Programmes

Please complete the following work for the first class in September.

A:Reading:

- **“The Lion, the Witch and the Wardrobe”** by C.S.Lewis (any edition)

Even if you have seen the film, you still need to read the book!

If you have already read the book, refresh your memory of the story ready to discuss.
(There are also others in the sequel you could continue to read!)

- **“The Boy Who Harnessed the Wind”** By (author) Bryan Mealer and William Kamkwamba

ISBN13 9781984816122 **young readers edition only** (Adult edition will be too advanced)

B:Complete the worksheets attached for this book. All work needs to be completed for the first lesson in September.

The books will be discussed and worked on together, in class in September.

Please read other books and feel free to share the titles and your thoughts about the book with the class in September.

C:Writing Task:

During your holidays buy a postcard, or make a drawing of somewhere you have visited or done on holiday. Maybe it is a museum, a foreign town or city, a historical monument, a beach, visiting family or friends ...

TASK: Write an interesting text, or poem, to present to the class, to express your feelings and emotions of what you experienced, saw and heard, related to your drawing or the postcard you have chosen.

D:Check up and learn : see attached **IRREGULAR VERB** sheet. Each student must revise and learn the list of irregular verbs. We will be revising them together in class during the Autumn term, but it is essential each student has some notion of these verbs to avoid being overwhelmed with additional spelling lists they will be given.

Enjoy the Summer break: have fun and keep safe. I look forward to seeing you all in September with your news!!
